THE SEASON OF GRADUATIONS

APTS Graduates "releasing their tension"

TW was the main speaker at the graduation exercises of Immanuel Bible College, Cebu.

We were a part of the graduation exercises of at least 5 different schools: APTS, Immanuel Bible College (IBC) in Cebu, Tender Loving Care School in Urdaneta, Lamut Elementary School, and Assemblies of God School of Ministry in Manila (AGSOM). It was especially meaningful at APTS because we were privileged to have a part in the training of the graduates. **Many of these graduates will go on to become the leaders of the Church in the Asia Pacific.** The graduation at the Lamut School was also meaningful because MT had been teaching Bible stories there every Monday morning for the last couple of years.

Worth more than thousands of words . . .

Visits by good friends encouraged us: Revs. Teo Kwee Keng and Ruth Phua (who came with her husband Rev. Anthony Phua and their son, Joel). While in Baguio, Pastors Teo and Ruth - together with Pas. Lisa Chin - preached for a regional Women's Ministry Conference.

LARGEST NATIONAL CHURCH?

With estimates ranging from 50 to over 100 million members, it is possible that the Chinese Church is the largest national church in the world today. We want to thank God that we have a small part to play. We have been invited to meet with some leaders of a mainland network later this year to work out possibilities of APTS training their future leaders. Please pray with us.

CAN WE VISIT YOUR CHURCH?

We will be back in Malaysia in April and May so that TW can teach for BCM. It has now become almost a regular thing for us. TW will be teaching "Christ and Salvation," which is a night class. During the weekends, we would like to visit as many churches as possible. We want to bring you good reports of the Lord's work. Please let us know if you can accommodate us in your schedule. MT will be glad to speak at the Chinese services. We also do not mind taking some small group sessions or to meet up with your leadership to explain our work.
