新年快樂

## BLESSED CHINESE NEW YEAR

## PICTORIAL REPORT

Worth more than thousands of words . . .

Every time we come home, we feel burdened with a specific message. Last year, we preached on "Blessings" in many of the churches we visited. This time, we preached on the "Ascension." These topics are related. Jesus blessed the disciples as he was being taken up to heaven. Although Jesus is alive today, He is not present physically. But, his blessings remain in the church today. The Church in Malaysia is blessed. Just as we see the

Ascension in the light of the giving of the Great Commission, Jesus' blessing of the Church should also be seen in the same light. The Church is blessed so that we can be God's blessing to the world.

This Chinese New Year, let us remind ourselves that we have been **BLESSED TO BLESS.**

## THE BANGKOK ASSIGNMENT

We were in Bangkok from Jan 29 to Feb 10 to teach at an APTS extension class. It was a wonderful experience teaching a class of mainly missionaries serving the Thai and Indo-China fields. We also got to visit with some friends and former students. During our time there, we made some new friends as well.

APTS "Foundations for Ministry" Class

## PRAISE THE LORD FOR FRIENDS

We were blessed by the presence of friends on the APTS campus. Folks from BCM, TCA Malaysia, AGBC Singapore and ATCEM were on campus to attend the Bible School Consultation and Lectureship. The Consultation and Lectureship programs were very tight but we still found time to fellowship and do some short tours of the city. We hope more friends will come a-calling so that they can see for themselves the work we are doing here in the Philippines.

## MISSIONS WEEKEND AT TOW

Ministering together at TOW Missions Convention

While traveling to Bangkok via KL, we slipped in a couple of ministry weekends; including a Missions Convention Weekend at the Tabernacle of Worship in Seremban. It was a wonderful time of ministry and also a time to fellowship with Pastors Christopher Mun and Marriane. Their commitment to missions has encouraged us. They are planning to bring a short-term missions team to Baguio in March. We are looking forward to that.

We look forward to others coming too . . .
