Even though we are hundreds of miles away in the Philippines, we are just a click away! Get on the internet and participate in our ministry. (If you have a credit card, you can even give your missions support for us online!) With the internet, your missions partnership with us can be almost "hands-on" and "real-time." When you access our site, you will have regularly updated information about our

ministry so that you can pray and give intentionally and intelligently. We have also packed in still and video images in our website, together with selected notes from our ministry. Feel free to use whatever notes or visuals you find on our website. We hope you will share our website with more people so that our ministry can be multiplied in cyberspace.

## FURLOUGH GOING ON WELL

Our furlough is going on well. The schedule is very tight, with an average of 4 to 5 sermons and/or lessons to prepare every week. But, we are very happy to be able to visit with all our present and potential partners.

Churches we have visited in April include the following:

1. Church of Praise, J.B.,
2. Faith City Tabernacle, Subang Jaya,
3. Botanic Family Church, Klang,
4. Four Square Gospel Church, Subang Jaya,
5. Bethany Chapel, Kepong.

Among the many informal fellowships, we met with some of our ministry colleagues at the Kesas Pastor's Fellowship. We also had a formal meeting with the World Missions Department, where we gave our reports.

## APTS GRADUATION: APRIL 3

The APTS graduation exercises are very encouraging for us because we are able to see students who have completed their studies and being commissioned into the field. This year's graduating batch included students from Japan, Korea, France, Indonesia, Philippines, USA, New Zealand, Samoa, Nepal and Malaysia. These are committed to ministry stretching from Japan to Mongolia to Vietnam to the Pacific

Islands... practically the entire Asia Pacific region.

Our ministry is not merely to impart theological information. It is raising up missions workers and future church leaders for the Asia Pacific region where up to 90% of the population is still unreached with the Gospel.

Partner with us to reach the next generations for the Lord.
